Welcome to the 46th!

It’s that time of year again, when our committee reaches out and welcomes everyone to the 46th Annual Arbutus Arts Festival.

This is the special day that the community of Arbutus comes together and looks forward to every year. With an expected crowd of 25,000 people, we draw from all the surrounding areas and some from out of state. This is a tradition which has been going on for so long and you can feel the excitement begin to build in early Spring.

This year, we have a great new addition to the Festival and our community. The Guinness Brewery will be sponsoring our traditional Beer Garden and joining forces to make it an even better year. We welcome them and are happy to have them as a part of the Festival. Their staff will be located on East Drive at the entrance to the Beer Garden, so stop by to say Hello, learn a little bit more about the Brewery and then move on into the area and grab a Guinness!

If you aren’t a beer lover, that’s okay, as we have something else special for you! Our Wine Tasting will once again be held inside the Arbutus Social Club on Stevens Ave. Get your wristband and glass and visit the variety of wineries and cool off in the air conditioning. Who knows, you may find a special wine that makes you want to buy a bottle to take with you.

As always, we are happy to have over 200 handmade crafters from all along the East Coast share their items with you. As your day moves on, check out the variety of food we have to offer, and you know you can’t just try one. Find a spot in one of our shaded areas to rest, enjoy your delights and listen to the great sounds of many different bands.

For all you guys and gals, the day won’t be over until you check out our Car Show on Town Hall’s parking lot. I’m sure these cars will take you back in time and bring back lots of special memories. We have Pro Rider and several motorcycles joining in as well. Once again, we have a terrific band back with us this year.

And above all, we can’t forget the little ones who don’t want to miss the Children’s Corner at the Fire Dept. There will be crafters, a train ride, Farmland bounce and pony rides. You’ll find lots of things for the kids to do, games, crafts to make, school information, music and of course more food and beverages. Across the street, you’ll find the remote-control cars and the Chalk Bus.

As you stroll around that day, keep your eyes open for the lovely wooden butterflies which some of the businesses have decorated to welcome Spring and prepare for the Festival. They will be on display at the businesses beginning May 1st and photos will be placed on Facebook for you to vote for your favorite. The winner will be announced at the Red Tent by the Beer Garden at 1:00 pm. Some of the butterflies will be displayed in a specific area that day as well.

What more could you possibly want? SUN, SUN, SUN!! This is a rain or shine event so grab your sunglasses and pull out your flip flops and head our way to a fun filled day.

We hope you have a wonderful time and thank you for joining us!

Sue Miller, Chairman
Hi, I’m Joey Ambrose,

I’m glad you chose to come out to the Arbutus Arts Festival. Every year we sit down and discuss how we can make this the best one-day festival in Maryland. We would love to hear from you with any insight you might have.

There is so much to see, all the vendors, the Children’s Corner at the Arbutus Volunteer Fire Department, the Car Show directly across the street at the Arbutus Town Hall, and the Wine Tasting at the Arbutus Social Club. We even have Guinness joining us this year in the beer garden. So much to do in just one day, hope it’s a great one.

Joey Ambrose - Director

Greater Arbutus Business Association

May 2019

Greetings from the Officers, Directors and Members of GABA.

Welcome to the 46th Annual Arbutus Arts Festival!

This year’s event promises to one of the best ever! Our Arts Festival Committee works hard all year long contacting unique Artists to display and sell their works. The Arts Festival prides itself with bringing unique handmade artistry to Arbutus.

We are also excited to announce, Guinness will sponsor our Beer Garden! This is surely a great addition to our Festival! The Wine Tasting, once again, will happen at the Arbutus Social Club. Live Entertainment! We will have 6 Bands playing throughout the Arts Festival in 4 different locations. Another exciting event is our Car Show with over 50 vehicles! Motorcycles will also be on display.

With all the Arts and Entertainment happening, we also remember the little ones. Our Children’s Corner is loaded with fun activities for the kids. Crafts, rides and the Ponies will certainly entertain our youngest visitors. There will also be student performances from our local schools in the Children’s Corner.

Food is always a big part of our Arts Festival too! We look for every taste bud to be satisfied! Expect to be delighted with the variety of more than 14 food and treat vendors.

Again, Welcome to Arbutus! We all hope you enjoy this day! Please come back and visit the lovely town, we call Arbutus.

Fond Regards,

Bettina M Tebo, President

Arbutus Lost a Great Man

George Kendrick, the “Unofficial Mayor of Arbutus”, passed away on Dec. 22. He was 96 and living at The Neighborhoods at St. Elizabeth Nursing & Rehabilitation Center, receiving hospice care from Gilchrist. He earned this title as there wasn’t anything that he wouldn’t do for the town of Arbutus.

George, and his late wife, were known by all the local people of Arbutus, as he served the community for over 70 years. A mural was painted to celebrate their steadfast loyalty to the Arbutus and surrounding communities on the brick building at the corner of East Drive and Maple Ave. George served in World War II and was a longtime member of the American Legion Dewey Lowman Post 109. He was a mason with Howard Lodge 101, and the mastermind behind the 4th of July Parade. George was a dedicated coach for generations of athletes who deeply cherished their time with him. In his honor, the Arbutus Middle School field and Arbutus Recreation Center were named after him.

George Kendrick, born in Wheeling, West Virginia, was known in the community for founding the Arbutus Big Red semiprofessional football team and serving as treasurer of the Arbutus Recreation Council. He was also heavily involved in planning the Arbutus 4th of July parade and the annual 10K race that preceded the parade in the morning, from 1997 until 2017.

Area residents came to recognize the Arbutus Fourth of July parade by its’ organizer, George Kendrick who has been organizing the event for 16 years. After that time, he was forced to retire due to his health. He had been organizing the annual Arbutus Firecracker 10K race which took place the morning prior to the parade since the beginning 31 years. He spent hours each year contacting bands and community organization planning the races and parade. He was proud of his work on the community event and said public participation increased greatly during the time he helped to organize it. George said the goal of bringing together and creating a family friendly atmosphere for parade goers to celebrate the holiday and honor their country were very important to him.

His grandson, Chad Kendrick, best described him as “He loved this town with his whole heart and would do anything to make it a better place”. A few months ago, sensing Mr. Kendrick’s declining health, Chad got his grandfather’s signature tattooed on his arm. He plans on telling his future children all about their great-grandfather. “My grandfather is going to live with me every single day of my life, and I’m going to make sure my kids know who he is.

Mr. Kendrick’s daughter, Valerie Stocksdale, said her father “loved everything about the red, white and blue. He was, very patriotic”.

He was always good at what he did and loved the community and being involved. His family were all by his side helping where ever they could, and he always indicated he was proud of his family because he couldn’t have done it without them. Arbutus was considered is extended family and he felt Arbutus was the greatest community in the world.

George Kendrick was a special man who will be greatly missed but remembered by all.
Animals

Most love them, many have them as pets. Whether yours is a frisky feline, or a playful pooch, or even a slithering snake, most certainly your pet is considered part of your family, and that is a wonderful thing. However, the Arbutus Arts Festival Committee feels the need to ask that pets not be brought to the Festival. Every year signs are posted and people are reminded, however, every year more pets seem to appear. Approximately 60,000 people attend the festival every year. The Festival extends from the Hollywood movies to North Ave. on East Drive and down Linden Ave. to the Fire Dept. and Town Hall. Anyone who has attended the festival in previous years knows how crowded the street can get. It’s difficult enough to maneuver through all the people, animals only make it harder. Plus, most animals probably don’t like being out in the sweltering heat, surrounded by so many people and possibly trampled on. I have witnessed several fights between animals as well as many frightened children and adults due to the presence of some of the animals. We realize your pets are close to you, but we would like to ask that you please leave them elsewhere for a few hours while you attend the festival. It will help to make everyone’s day a little better.

No Parking!

No parking will be allowed on East Drive on May 19th, the day of the festival, between the hours of 3:00 am and 9:00 pm. Any cars found parked during these hours will be towed. The Arbutus Arts Festival Committee and the Baltimore County Police Department ask that everyone please cooperate with these regulations.

PARKING FOR GUESTS WITH DISABILITIES

The Arbutus Arts Festival Committee would like to make the public aware of our designated disability parking spaces this year. There will be limited space available in the small parking lot for Chesapeake Bank. It will be accessible off of Poplar Ave., which is off of Highview Ave. Handicap permits will need to be shown to the police officer to enter.

We ask the public to please respect the needs of individuals with disabilities and leave these spaces reserved for those patrons.
Identification Program Provided on Children and Seniors Free of Charge by Masons

The Free Mason’s Maryland Safety Education and Identification Program is a comprehensive identification and protection program designed to give families a measure of protection against the ever increasing problem of missing children. This program is provided “free of charge” to every Maryland family who wishes to participate.

MdCHIP is sponsored by the Conference of Grand Masters of Masons in North America. All identifying items generated are placed in a pack and given to the parent or guardian to take home for safe keeping. If their child becomes missing, the pack can then be provided to law enforcement to aid in recovery and identification. The Maryland Freemasons keep nothing but the permission form signed by the parent prior to participation in the event.

What is provided; CD with child’s name, address, height, weight, eye color, hair color, description of distinguishing marks, notes on health concerns, birth date, parental / guardian contact information, 3 to 4 photos, a video interview of the child, digital fingerprints, and DNA sample.

The same information is also available for seniors.

Please stop by the booth which will be located in the Children’s Corner.

Featured Band

Bob Margolis

Location:
East Drive past Linden Ave.

Time:
10am - 12pm

Maryland guitarist Bob Margolis brightens any occasion with gorgeous solo guitar arrangements of pop and rock classics. Bob also performs in various bands throughout the Baltimore/Washington DC area and offers expert guitar instruction.

Featured Band

AcoustiCafe

Location:
East Drive past Linden Ave.

Time:
12:30 - 4:30pm

Growing up listening to rock radio, Sunday afternoons always included The Acoustic Cafe...a quieter, more laid back radio show comprised of acoustic versions of favorite classic rock songs. Jeff, Linda and Sarah’s family acoustic project, AcoustiCafe, fits perfectly with lunch crowds, happy hours, quiet evening events where a more laid back and light-hearted acoustic set of favorite classic songs is desired. Along with the standard classic rock genre, AcoustiCafe adds acoustic versions of folk rock, country and pop, as well as a healthy dose of vocal harmonies with their perfectly blended voices.
**Featured Band**

**Ken Gutberlet**

**Location:**
Sulphur Spring Rd. & East Drive

**Time:**
10am - 12pm

Part storyteller, philosopher, and jester, Ken Gutberlet has been strumming up a spirited acoustic groove for a couple decades - through 3 1/2 cds, plenty of Mid-Atlantic watering holes, and many European sojourns. His rootsy Americana vibe energizes hundreds of songs that he covers - some for singing along, others less well-known - along with a sampling of his self-penned "Folk-Zappa" styled tunes. More info about Ken's music: www.casualtunes.com.

---

**Featured Band**

**Chris Sacks Duo**

**Location:**
Sulphur Spring Rd. & East Drive

**Time:**
12:30 - 4:30pm

The **CHRIS SACKS DUO** is best defined as a mixture of red blooded American music mixed with the blue seawaters of the Caribbean. The laid back, barefoot style of the band covers B to Z... from Jimmy Buffett to Tom Petty... all the way down to the Zac Brown Band (and everywhere in between). The sound of **CHRIS SACKS DUO** fuses Tropical Rock with Americana Rock to create a sound that is uniquely theirs.... Call it "Tropicana Rock.".

Chris Sacks and Steve Tove have played everything from baseball stadiums to festival main stages, playing for all that will listen from Maine to FLA, including the Key West circuit. In addition, they have opened up for national acts such as Michael Ray, Joe Diffie, Lorrie Morgan, Pam Tillis and Mo Pitney.
Featured Band

4 on the Floor with Overdrive

Location:
Car Show/Town Hall

Time:
11am - 3pm

There is a magical energy that exists between 4 on the Floor with Overdrive and the audience. Whether it’s an East Coast swing, West Coast swing, Lindy hop, 2 step, shuffle, cha-cha, waltz, rumba, hustle, or free style... we make the dance floor, or the chair you sit in, come alive with "happy dance music" from the 50's through the 90's. Bringing back memories or forming new ones, we love what we do and it shows. Come join the magic!

Featured Band

Major Company

Location:
Beer Garden

Time:
11am - 4:30pm

Arbutus resident Michael Major is proud to once again bring Major Company to the beer garden. The band is honored as always and is planning many new surprises. Come see Major Company and their unique approach to classic rock and pop styles of all eras. Showtime is 11:30 and they will perform throughout the day.
Visit reverbnation.com/majorcompany for music, info and show dates,
Mary Major

Our community lost a beautiful Angel this year, but she is watching over us all and here in spirit today. Mary Major, the wife of Mike Major, who has played his music in the Beer Garden for many years at the Arbutus Arts Festival, passed away this year. Mary was a tough lady and fought a rough road of cancer for 8 years. She was an amazing lady of 51 years and never let the cancer get her down. She was always happy, smiling and very upbeat. Through the years and all the ups and downs, tests and surgeries, Mary stayed positive and believed that her life was in God’s hands.

Mary and Mike met at the senior prom and have been together ever since. They had a wonderful marriage of 31 years. The closeness and happiness they shared was radiant. Mary loved Mike’s music and the many songs they shared. She attended as many of his appearances as possible and was always seen at the Festival. Mike used to say that “he was the musician, but she was the Rock Star”.

They have two sons and recently an adorable granddaughter whom melted Mary’s heart. She spent as much time as possible with Mila, who is about 18 months old and enjoyed every minute. Mila has been a joy since birth and will continue to be very special to Mike and bring him years of happiness watching her grow.

It was important to Mary to be a part of the Arbutus community. She found their house in Arbutus in 1999. She always felt that this community has a purpose and they wanted to be a part of it. It was very important to Mary that Mike carry on with his music.

This year, the Arts Festival committee has chosen for the volunteers who help us the day of the festival to wear pink shirts. On the pocket area, you will see a small cancer ribbon. The volunteers will be wearing these shirts in memory of Mary and others who have had a battle with cancer. She loved our community and the Festival. Even through rough times, she was always there being as happy as possible.

To know Mary, was to love Mary!
She will stay in the hearts of her family and friends forever.

Signs of Spring!

The Arbutus Arts Festival Committee has created wooden butterfly cutouts for local businesses to design and display around Arbutus to signal the coming of Spring and the Arbutus Arts Festival.

Thanks to all the businesses who are participating and showing that our community is creative!

We look forward to seeing some great, imaginative designs!

Find the Chalk Bus and Make Your Mark!

The Chalk Bus at the Arbutus Arts Festival this year!
A great attraction for the whole family!

Suggestions?

Do you have any comments about this year’s festival? Or maybe some suggestions for how to make future festivals even better? If you have any questions, or problems, or need anything at all, just look for us. Our committee members and volunteers will be available throughout the day to assist in any way we can. The committee will be wearing yellow shirts and volunteers will be in pink. Just keep an eye out for us, and feel free to speak out. We’re here to serve you and the community.

Have a great day at the 46th Annual Arbutus Arts Festival!
